

HOT

Portable, Electric-Powered, Diesel-Heated, Hot Water Pressure Washer

- Up to 3.5 GPM, 2000 PSI
- Heavy-Duty Motor
- True Steam Model
- Easy to Service

■ **High-Pressure Pump** featuring three ceramic plungers and a forged brass head with 7-year warranty*, powered by heavy-duty **Legacy or Baldor Motor**.

■ **Stainless Steel Top Wrap** has unique design that allows access to the coil within minutes by simply removing six bolts.*

■ **Helpful Graphics and Tri-Lingual Labels** with operating instructions in English, Spanish and French for added liability protection and operator convenience.

■ **High-efficiency Burner** is protected by a cover and mounted on the end for easy access.

■ **Adjustable Thermostat** for precise temperature control.

■ **Quick-couple Nozzle** is made of hardened stainless steel and mounted for ready access.

■ **36 ft. of high-grade Electrical Cord** with ground fault circuit interrupter on all models for operator safety.

■ **EASY!Force trigger gun** with cruise control like technology uses its own recoil force to hold the trigger down - so, no more sore hands after hours of use. **Variable Pressure Wand** make it easy to switch between wash and rinse modes.*

■ **50 ft. of steel-wire braid High Pressure Hose** with guard for burst protection.*

■ **Optional Hose Reel and Lifting Bracket** with compact, easy-wind design for tangle-free handling of hose.

■ **Removable Panels** allow for easy access and servicing of pump, motor and unloader.

■ **Conveniently located Control Panel** with 3-position or rocker switch is housed in a water-resistant electrical enclosure.

■ **Easy-to-attach Downstream Detergent Injector** for application of soap.

■ **Many Safety Features**, including a rupture disk and thermal pump protector to prevent the buildup of excessive pressures or heat.

■ **Flat-free Tires** make for easy maneuvering in any terrain; safety brake prevents rolling.

■ **Optional rust-free Float Tank** with stainless steel inlet filter, backflow protection and inlet detergent metering valve.

*HOT2-11026D and HOT2-15026D have axial pump with 1-year warranty, yellow painted mild-steel top coil wrap, and 30 ft. high pressure hose with straight-through insulated wand. HOT3-30036D Steamer has high limit switch, axial pump with 1-year warranty, and 50 ft. steam hose and wand.

WHY CHOOSE THE HOT

Simple and affordable with efficient and reliable high-pressure hot water, this series is designed for ease of operation as well as portability. Match the HOT performance and quality specifications up against any of our rivals, and you will quickly discover the value is undeniable!

HOT2-15026D shown with optional caster wheel kit

- 9.802-283.0 Hour Meter (machine pre-wired for easy installation)

* Should not be used as a lifting rack on the MHC

DETERGENT FOR EVERY JOB

Landa Kärcher Group's innovative detergent lineup makes your cleaning job easier and faster. Phosphate-free to meet the most stringent environmental demands without sacrificing cleaning effectiveness. We'll match you with a product designed for your specific application.

SPEED IT UP WITH ACCESSORIES

We offer a number of pressure washer accessories to reduce your cleaning time. Depending on your cleaning application, choose from items such as flat surface cleaners like the Water Jet, rotary nozzles, extension wands and more.

If you're cleaning long hours at a time, the EASY!Force trigger gun is an ideal and innovative solution to alleviate user fatigue. It's designed to use its own recoil force to hold the trigger down, which means you won't have sore hands after hours of use.

We also offer accessories designed to lengthen the life of your equipment, such as hose reels, which not only protect the high-pressure hose from damage, but help with storage when not in use.

Give us a call to learn which accessories are suitable to use with your pressure washer - and your application.
